SUBMISSION OF ISSUE FEE AND CONFIRMATION OF LARGE ENTITY STATUS

Sir:

In response to the Notice of Allowance and Fee(s) Due dated February 21, 2007, please find attached herewith Part B – Fee(s) Transmittal Form PTOL-85, in duplicate, and Check #10409 for \$1,700 for the large entity payment of the issue and publication fee in the above-referenced patent application.

On March 23, 2007, Applicants submitted a request for a Corrected Notice of Allowance. Specifically, Applicants requested that the “Small Entity Status” on Form PTOL-85 be changed from “YES” to “NO”, and that the “Issue Fee Due” be changed from \$700.00 to \$1400.00 for the following reasons. On April 11, 2006, along with a Response to Restriction Requirement,

Applicants filed a Payment of Fee Deficiency and Request for Change of Entity Status (copy attached), and included a payment of \$920.00 for fee deficiencies. The itemized return-receipt postcard included with the filing indicated that the U.S. Patent and Trademark Office received the filing on April 14, 2006 (copy attached). A review of Applicants' records had indicated that Applicants' small entity status in the present patent application may have changed to large entity status prior to the filing of this application. Therefore, Applicants paid all fee deficiencies owed until that date, and requested that their entity status be changed from small to large. A corrected Notice of Allowance was therefore respectfully requested.

Since Applicants have not yet received a Corrected Notice of Allowance, Applicants have amended the Form PTOL-85 as originally received to show the above-outlined changes.

The Director of Patents and Trademarks is hereby authorized to charge any deficiencies, or to credit any overpayments, to Deposit Account No. 03-2410 (Order No. 12569-108).

If the Examiner has any questions, please call Applicants' Attorney, Jacob N. Erlich, at (617) 345-3000.

Respectfully submitted,
Peter R. Nuytkens, et al., Applicants

PAYMENT OF FEE DEFICIENCY
AND REQUEST FOR CHANGE OF ENTITY STATUS

Dear Sir:

Applicants submit herewith a check for the total fees of \$920.00 and a fee transmittal form associated with the change of entity status.

Applicants have submitted by separate letter in parent application U.S. Serial No. 09/904,014, now U.S. patent No. 6,696,910 B2 a Change of Entity Status as well.

Applicants respectfully request a change of entity status from small entity to large entity in the above-identified patent application. A current review of Applicants'/Assignee's records indicate that Applicants' small entity status in the present patent may have changed to large entity status prior to the filing of this divisional application. The previous request by Applicants

3/26/07 D'DOCKETED

to obtain small entity status was made without any intent to deceive, and the necessary payment of required fee as a large entity is made herewith as set forth below without prejudice.

In the instant application, the following fees were paid in accordance with the small entity fee schedule in existence at the time the fees were paid:

Date	Fee Paid	For	Current Large Entity Fee	Difference
02/23/04	385.00	Filing fee	1,000.00	615.00
09/15/04	65.00	Surcharge for late oath	130.00	65.00
09/15/04	210.00	Two-month extension fee	450.00	240.00
Total				920.00

Therefore, the total fee deficiency owed in changing the entity status from small to large is \$920.00.

The Director of Patents and Trademarks is authorized to charge any additional underpayment of fees to or credit any overpayment of fees to Deposit Account No. 03-2410, Order No. 12569-108DIV.

In accordance with Section 714.01 of the M.P.E.P., the following information is presented in the event that a call may be deemed desirable by the Examiner:
